

SET OF FOURS POUCH

Designed for carrying the **AZTEK ProSeries™ LT System**, this pouch is ideally sized for quick and easy storage and transport of personal mechanical advantage systems like the **AZTEK LT** and **Harken Wingman**.

Features

- Semi-rigid ring around the top for easy access to contents
- Smooth draw string closure for quick opening and closing
- Web loop and quick-connect buckle for stowage on a harness
- Made of heavy-duty, water-resistant 1,000-denier Cordura® nylon

Note: this is the pouch only. CMC AZTEK ProSeries LT System sold separately.
