

AZTEK PROSERIES™ PACK

The AZTEK ProSeries Pack has excellent fabric durability, reflective piping, prominent ID Label Holder, and a new Coyote Brown colorway. The two zipped compartments allow easy organization of a set of fours system like the CMC AZTEK ProSeries System (sold separately) and the garage pocket on each side of the pack help protect the cord connecting the system components from UV exposure and trail snags. The water resistant Tarpaulin back panel provides water and abrasion resistance and the mesh bottom promotes drying of the inner contents. Comfortably carried on the waist or thigh, this pack is highly versatile and well thought out.

The AZTEK ProSeries Pack is a component of the CMC AZTEK ProSeries System (sold separately) The AZTEK System is collapsed and stored in the two separate compartments of the AZTEK Pack; one side houses the AZTEK Set-of-Fours, the other side holds the personal travel restrict end.

Features

- Constructed with 1000D nylon for improved resistance to dirt, water, and abrasion
- Back panel is constructed with 1000D Tarpaulin for additional durability and protection
- External reflective piping provides increased visibility in low light environments
- Rugged mesh-panel bottom allows wet components to dry faster
- Double-zippered top compartments for quick and easy access to either side
- Outside zippered pocket for carrying small items such as a field guide, cell phone, exam gloves, trauma sheers, or multi-tool
- Gear loop holds up to four rescue-size carabiners, perfect for CMC's **ProSeries** or **ProTech™** line of carabiners
- Designed with an integrated, adjustable harness attachment strap so it can be worn around the waist or thigh
- Tension-lock buckles are easy to adjust for a secure fit and allow pack rotation around the hips for quick access
- Unique Garage Pocket™ on each side conceals cord that bridges the two compartments and protects it from UV exposure and trail snags
- ID label holder displays personal or team information
- Available in new Coyote Brown colorway

Note: this is the AZTEK ProSeries Pack only. CMC AZTEK ProSeries System sold separately.
